SOLTAIRE KIT PACKS HENDERSON

120kg | 180kg | 250kg | Wood | Metal | Interior | Exterior

Top hung straight sliding door system available in four kits to accomodate doors weighing up to 250kg

Overview

Soltaire is a beautifully crafted top hung sliding system designed to accomodate interior and exterior applications. The four kit packs contain everything needed to install one face fixed single sliding door weighing up to 250kg. The system is extremely durable and weather resistant due to its 316 stainless steel components.

Features and Benefits

- Four kits available
- Available in weights up to 120kg, 180kg and 250kg
- Suitable for interior and exterior applications
- Extremely durable and weather resistant
- Components made from 316 stainless steel
- Soltaire soft close kits available for the 120kg interior kit (see below)
- Installation video available
