SLIDING

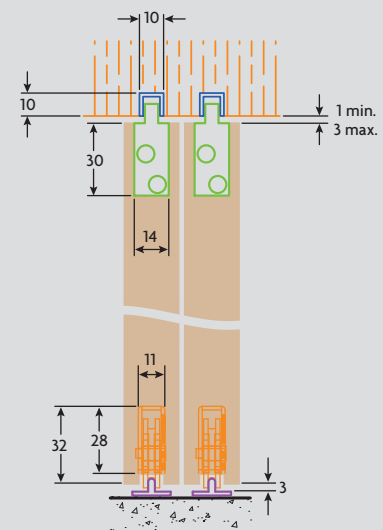

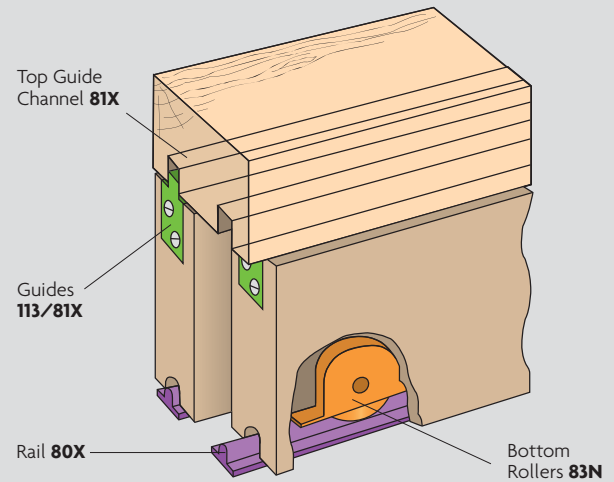

WOOD

23kg

Doors not supplied by P C Henderson

When it comes to finishing wardrobes, cupboards, bookcases and other pieces of high quality cabinet work, the Loretto range is ideal. It has been designed to work with timber framed, glazed and flush doors up to 23kg in weight, up to 900mm wide, and between 20-45mm thick. Three kits are available giving a maximum opening width of 1800mm and the nylon guides and rollers and aluminium rail ensure it works smoothly and quietly.
