

PACER CENTREFOLD

For top hung centre folding interior partition doors weighing up to 35kg and 75kg

Pacer Centrefold is a top hung system for centre folding wooden partition doors. Doors are hung centrally and can fold to one or both sides. For applications hinged to the jamb, 3.5, 5.5 or 7.5 doors can be used with the half door hinged to the jamb. For best operation of floating units 5, 7 or 9 doors should be used. Any access doors should be hinged separately to the jamb.

Product Information

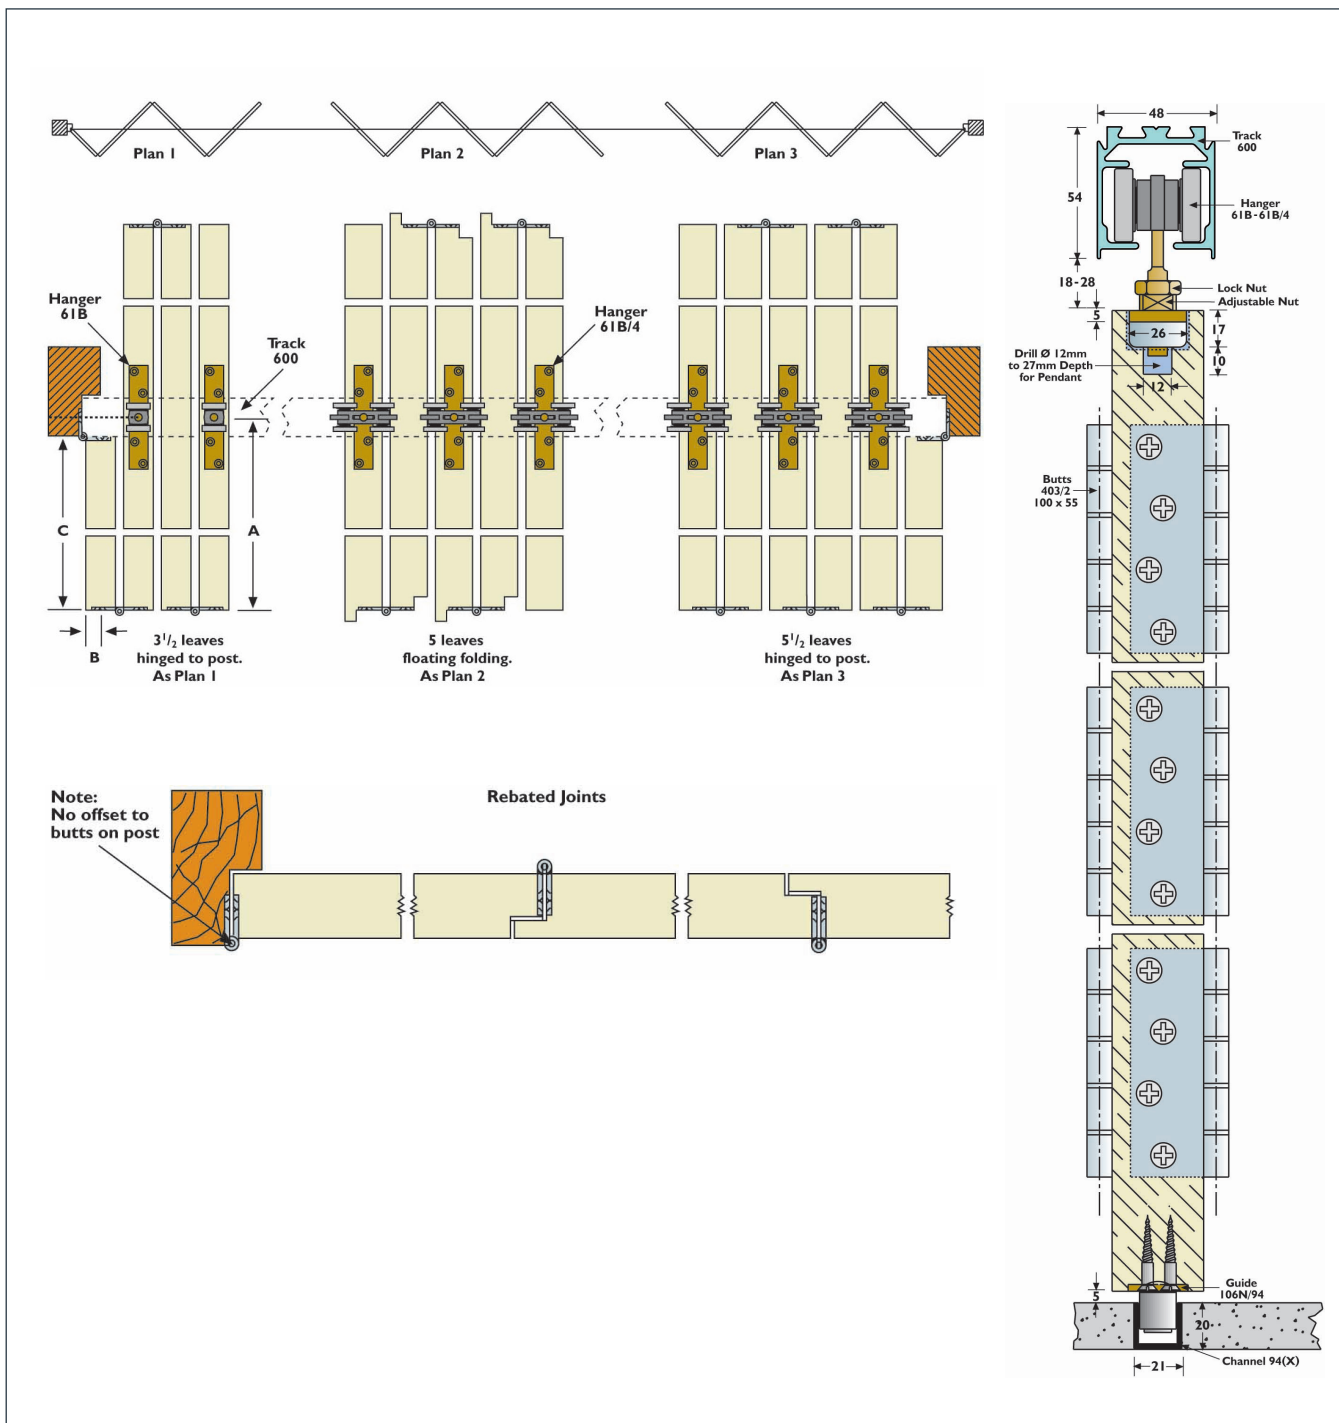

Product	Max. Door Height	Max. Door Width	Door Thickness Range	Max. Door Weight
Pacer Centrefold	2700mm	900mm	35 - 44mm	35kg or 75kg*

*35kg if using 61B hanger
