

HENDERSON

Henderson Garage Doors

Smart doors, superior solutions

HENDERSON

Henderson Garage Doors

Henderson Garage Doors is one of the UK's longest standing and reputable garage door companies – a brand which has been associated with high quality garage doors for over 60 years.

Our range of garage doors are available in a vast range of styles, colours and optional extras – providing a system which can be custom made to meet your exact taste & requirements. By choosing Henderson you can be confident that you're dealing with a first class, reputable company which supplies some of the best garage doors on the market.

Henderson - The Story Behind the Name

Henderson has a long history of supplying high quality garage doors - in fact we were the first company in the UK to release the 'up and over door' in the 1950's. By the 1960's Henderson Garage Doors had supplied approximately 50% of all garage doors in the UK.

Why Henderson?

Efficiency

42mm thick doors - ensuring optimum insulation and efficiency
